

Attimo

PRODUCING UP TO 600 DRINKS PER HOUR GET COFFEE AND MORE FROM THE ATTIMO.

Choose the Attimo for speed, efficiency and all-round value. This high volume, stainless steel machine is ideal for a wide range of venues including fast food outlets, self service operations, bars, hotels, offices and garden centre tea rooms.

Producing an 8 oz white coffee and a cappuccino in six seconds the Attimo enhances today's fast moving life style for business and pleasure.

Attimo components meet the same exacting standards as those in Fracino's award-winning commercial cappuccino and espresso machines. Fracino's reputation and experience in this specialist area is second to none. A powerful combination of world-class skills, innovative design and state of the art production methods has delighted customers for over four decades.
